

# 18th Annual Eastern Pennsylvania Working Together Conference

Thursday May 23, 2019 8:00 AM to 4:30 PM

**PENN STATE GREAT VALLEY Conference Center, 30 E. Swedesford Road, Malvern, PA 19355**

The Working Together seminar is a Joint Effort of Public & Private Tax Professionals, which promotes the positive ongoing relationship between the tax practitioner community and two taxing agencies, the Internal Revenue Service and the Pennsylvania Department of Revenue. The annual meeting, open to both IRS and Department of Revenue employees and the practitioner community, has become a “mark your calendar” event for many Pennsylvania tax professionals. The intent is to engage in ongoing, meaningful dialogue aimed at improving our dealings with one another, thereby improving service to our common customer, the taxpaying public.

Sponsoring organizations include; Internal Revenue Service, PA Department of Revenue PA Society of Tax & Accounting Professionals, PA Institute of Certified Public Accountants, PA Society of Enrolled Agents, Philadelphia Bar Association Tax Section, Pennsylvania Bar Association Tax Law Section, PA-National Association of Tax Professionals, National Conference of CPA Practitioners, and Penn State Great Valley

This program will cover a wide variety of IRS And PA Department of Revenue programs that impact all tax professionals with substantive panel discussions covering a variety of topics.

Register Early! Space is limited and it is expected that this year’s Working Together Conference will again sell out!

IMPORTANT PLEASE READ REGARDING YOUR ONLINE ACCOUNT: If you attended the 2018 program or if you have attended a PSTAP CPE program in the past, you already have an ID Number and password which you will need in order to register online. PLEASE DO NOT SET UP A NEW ACCOUNT IF YOU ALREADY HAVE ONE – setting up a duplicate account will result in having your CPE credits posted to multiple accounts and complicate the distribution of your CPE attendance verification certificate as well as the reporting process to the various governmental agencies. If you do not know your ID Number and Password, please contact 1-800-270-3352 for immediate assistance. If you or someone in your office has not attended a PSTAP program in the past, you will be prompted to set up a new account by choosing a user name and password. The process of establishing an account is very simple and should take only minutes.
